Dear Ms. Ramos:

I am writing to you to inform you of a donation being made in honor of Angelo A. Augustino. Angelo ("Augie") was a Bethlehem Police Officer/Sargent for the city for 28 years, a Deputy Sheriff for Northampton County for 10 years, and also an active member of the Fraternal Order of Police. He was very involved in the police department and the community for most of his adult life. He was well known all across the city for his generous spirit, devotion to his occupation and for his service to his community.

He spent much of his career with the city helping kids, giving them advice, mentoring, and providing a stable "father figure" to so many kids. I have memories of kids that were my age at the time, thanking me for all the help my Dad provided them over the years.

So when my Father passed away on January 3, 2020, it made sense to continue the legacy he left this world, by providing support to help kids in the City of Bethlehem.

We hope this small contribution helps kids find the support they seek, the encouragement they need, and provide relief to the circumstances some of these kids face. We know he would have been very proud for us to make this donation in his honor.

Please accept this donation in honor of Angelo A. Augustino ("Augie").

On behalf of Angelo's Family,

*Maria Bentzoni*
